### **LOST AND FOUND**

All lost items will be kept in the “lost and found”. It is recommended that your child’s possessions be clearly labeled (name tag, marking pen, etc.) to assist in the return of misplaced articles. Children should not bring toys or other items to school. The school is not responsible for personal items lost or damaged at school. All unclaimed items will be donated to a local charity at intervals during the year.

## TELEPHONE

Students may use the school's telephone to make emergency calls with the permission and supervision of Scales staff. Students will sign in on the "telephone log" in the office prior to making any calls.

## FOOD SERVICE/CAFETERIA

Students are served meals in accordance with the guidelines of the National School Lunch Program. Cafeteria menus are provided to all students each month. These menus are also posted on our website. Please feel free to contact the cafeteria manager, Teresa Davenport with any questions, concerns, or suggestions that you may have. The **cafeteria phone number is 615-217-2413**. Students may choose from a variety of selections. Scales will be participating in the MCS Breakfast in the Classroom program. Children will be given the choice to have breakfast in their classroom in the morning. Breakfast and lunch will be free of charge for all students.

To set up an account you can go to <https://www.parentonline.net>. We always encourage parents and grandparents to come and dine with their student's at lunch. The guest price for lunch \$3.25. We consider adults dining with students to be excellent role models for all children. Plus, the adult's experience of going through the serving line with the child can be very rewarding for both child and adult. By the adult demonstrating proper nutrition choices while dining in what is traditionally considered "the student's world," we have found it to be an invaluable lesson for children.

Therefore, we **greatly discourage your bringing in food from outside sources** when you come to Scales to dine with your student. Murfreesboro City Schools' department of school nutrition strives to make school meals healthy and nutritious each day. In addition, no canned drinks should be sent to school. Your demonstrated support of the cafeteria program is greatly appreciated.

**CAFETERIA PRICES ARE SUBJECT TO CHANGE—THIS IS A SCHOOL BOARD DECISION.**

Returned checks to any school account will be charged a \$15.00 service fee.

### **Students Have Imaginative New Experiences (S.H.I.N.E)** **SCALES ELEMENTARY EXTENDED SCHOOL PROGRAM**

Childcare is provided through the **SHINE** program, a division of MCS Extended School Program, from 6:00 until 7:15 in the morning and from 2:30 to 6:00 in the afternoon, Monday through Friday. Children may stay for both sessions or only attend one session, either morning or afternoon. Information about **SHINE** options and fees are available if needed. Please call Scales **SHINE** (Extended School Program) at 895-5280. Parents must check their child (ren) in with **SHINE** as they arrive. Parents must sign them out before they leave in the afternoon. All students who participate in **SHINE** must be picked up by 6:00 p.m. Shine will remain open from 6:00 am until 6:00 pm for participating students during the following events: fall, winter, and spring breaks, holidays (except Thanksgiving Day and Christmas Day), and it will remain open on snow days.

### **D.A.R.E.**

Students in fifth grade participate in the D.A.R.E. (Drug Awareness Resistance Education) Program. These classes are taught by Murfreesboro Police Officers trained in this specific curriculum. This occurs in one of the two semesters with a graduation ceremony to follow. Additionally, classroom visits by D.A.R.E. officers to the younger grades occur as an introduction.

### **FIVE-STAR FRIENDS**

Students in 4<sup>th</sup> – 6<sup>th</sup> grades can participate in this unique Scales organization where typically developing students interact with special needs students during a portion of their academic year. Children from these four grade levels will be given an opportunity to volunteer in one or more of our special needs classrooms. These children will assist in playtime, feeding time, centers, and as the special needs teacher determines is best for our special friends. The students in 4<sup>th</sup> – 6<sup>th</sup> grades who participate in this organization must maintain successful grades and appropriate behavior to preserve

their active placement in this life-changing opportunity. Specific criteria in student selection will be shared via the Special Education Department.

### **POLICIES AND REGULATIONS ATTENDANCE, ABSENCES**

The school day begins at 7:30 a.m. Walkers, bike riders, and car riders should ***arrive at school no earlier than 7:15 a.m.*** at which time the classrooms are opened. It is Scales' policy to have **NO** unsupervised children at any time. ***Every effort should be made to ensure that students arrive no earlier than 7:15 a.m. and are promptly picked up at dismissal time.*** Students needing to get to school earlier than 7:15am need to be registered for ESP. The Attendance Act requires that all children must attend some type of day school until the age of 18.

Children may not be kept home except for the following conditions.

1. the child's personal illness,
2. death in the family,
3. special religious holidays,

**Following each absence, students must have a signed note from the parent or guardian stating the reason for the absence and the date.** This note must be sent to your child's teacher. *Absences other than for reasons stated above are considered unexcused.* Five unexcused absences will be treated as truancy. If a student is absent for an extended period of time, parents are strongly encouraged to arrange for schoolwork to be picked up and completed. A child who does not attend at least 1/2 day (7:30 a.m. – 10:46 a.m.) is considered absent. Additionally, if absences become excessive (even those excused with parent notes), the principal may require doctor's notes or pursue truancy proceedings. Routine attendance is essential to academic and personal success!

### **TARDIES**

The school day begins at 7:30 a.m. If a child arrives in the classroom after 7:30 a.m., he/she is considered tardy. Tardies are reported on the attendance report by the classroom teachers. Any tardies impact **all** students' ability to learn as teaching time is lost due to the interruption of the late arriver. **Unexcused tardies will be reviewed for potential action.**

### **EARLY DISMISSAL**

Students who are to be dismissed early are to be signed out in the office, and the child will be called down. Just like tardies, early dismissals impact the student's ability to learn as teaching time is lost. We discourage early dismissal. Excessive early dismissals will be reviewed for possible action. **If anyone other than those people listed on the registration card is to pick up a child, the office should be notified in writing and this person should have a photo ID with him/her.** Please note that any Early Dismissal other than for illness, doctor or dentist appointments, or family emergencies

will be counted as an unexcused tardy, the same as arriving late. The others are counted as excused tardies.

### **SCHOOL SECURITY/VISITORS**

Anyone other than a Scales student or staff member is considered to be a VISITOR and must enter the building at the front entrance and report to the welcome desk or school office to sign in and receive a visitor's pass. This badge must be worn by visitor at all time. *A picture ID will be required and must be left in exchange for a visitor badge.* All visitors must adhere to Scales policies and procedures. Before leaving the building, visitors must return to the office to sign out, retrieve their ID, and return the visitor's pass. All exterior doors with the exception of the front door are locked at 7:30 a.m. each day and remain locked throughout the day. We ask parents not to park cars on the circular drive entrances. (Signs are posted indicating that there is to be no parking on the circular drive. Please adhere to this.) Utilize the provided parking spaces when entering the campus. Only Scales students in our after school program, SHINE, may use the playgrounds until 5:45 p.m. each day. After 5:45 p.m. the community may use the playgrounds.

### **WE I.D.—even if we know you!**

Parents, please be sure that when you, or any appropriate person on the student's registration card, comes to school, that he or she brings a picture I.D. and has that out and ready for office staff. We "I.D." even if we know you. This is to help us with identifying visitors, making sure they are allowed to pick up a child, and to maintain a safe environment. Remember, we I.D. to protect our students. A new service offered to help expedite check out of students is a computerized identification system. You may show I.D. on your first visit and then have your picture made on site in the office. Following that, you should be able to check out your child I.D. free, as your photo and name will be on file. There are times when technology is down, so having your I.D. on you is still a good idea for check out. Share this with those able to check out your child(ren). All should have an I.D. and/or be in our computerized identification system.

### **TRANSPORTATION**

For any change in transportation on a particular day, either a signed note or telephone call from a parent or guardian is required. **Calls to change forms of transportation for children must be made prior to 2:00 p.m. each day. Due to dismissal being a hectic time, particularly in the front office, last minute changes create difficulty for all parties involved.** City school buses transport children who live in the Scales zone to and from Scales Elementary. Buses load and unload at the front entrance. Please be advised that large projects or packages cannot be carried onto the bus, as there must be adequate room for at least two children in each seat. Parents should not block bus lanes in the morning or afternoon. Assigned school personnel will be on duty to meet the buses in the morning and to monitor boarding of the buses at dismissal time. Bus riders are expected to follow the rules and regulations regarding safety and behavior on the bus and at bus stop locations.

Established bus riders wanting to ride another bus home with a friend, must provide a signed note from the parent or guardian informing the principal of the change in the student's bus stop for the day. This note must be signed by the principal and faxed to the transportation department. **If the transportation department determines that the bus is already at maximum student capacity, the request will not be honored.** The school will notify the parent and other arrangements must be made.

For non-established bus riders wanting to ride the bus home with a friend parents must come to the Scales office and complete the "Special Request for Transportation" form for "non-established bus riders"; this can also be faxed if necessary. **This form MUST be received in the Scales office prior to 10:00 a.m.** and then faxed to the Department of Transportation for approval. **If the Transportation Department determines that the bus is already at maximum student capacity, the request will not be honored.** The school will notify the parent and other arrangements must be made. *A new permission form must be completed each time this occurs.*

**Parents who transport their children are asked to:**

1. Load and unload children on school property and observe traffic signs and rules as well as the directions of staff members who have been assigned to assist with loading and unloading.
2. **Have a sign in the car window** when picking up in the car rider lines (K – 3<sup>rd</sup>). The classroom teacher provides this sign. \*\* If you need a new sign, send a note to your teacher and one will be sent home the following day with your child.
3. **Parents should not walk up in the car line to pick up.** Parents should be in vehicles during dismissal.
4. Instruct children to watch for their ride and walk to the car when directed.
5. Avoid blocking bus parking areas and pick up area for other cars.

**Bike Riders:**

Students may ride their bicycles to school. Locks are recommended. Bike riders are expected to follow all safety and traffic rules. Students should wear helmets when riding their bikes to school. Bike riders are expected to leave the campus promptly after dismissal. Bike riders are expected to follow the directions of the crossing guard. Bikes should be walked across the intersection at the direction of the crossing guard. (Crossing guards will be posted at the main entrance to Scales on St. Andrews Drive, at the sidewalk exit from Scales by the gymnasium onto St. Andrews, and at the corner of St. Andrews and Deerview.) The school is not responsible for students' bicycles.

**Walkers:**

Students should exit the building immediately upon dismissal. The children must stay on the sidewalks, and proceed to the crossing guard. They should wait for directions from the crossing guard before crossing the street. (Crossing guards will be posted at the

main entrance to Scales on St. Andrews Drive, at the sidewalk exit from Scales by the gymnasium onto St. Andrews, and at the corner of St. Andrews and Deerview.)

*\*Students walking or riding bikes are subject to disciplinary action for misbehavior on the way to and from the school.*

**Skateboards, Rollerblades, and Scooters:** These are **not to be ridden** to or from school.

### **Rules for Students as Passengers on Buses:**

Riding the school bus is a privilege, not a right. In order to receive free transportation, students must observe the following rules:

1. Students shall take seats promptly after boarding the bus. No seats can be reserved. Should the driver assign a student a seat, the student must comply. Students shall remain in their seats while the bus is in motion.

20. Students must have note, signed by a parent and dated, to get off the bus anywhere other than their designated stop. **(The classroom teacher and an administrator will sign this note so the driver will know we are all aware of this change.)**
21. Cell phones or any other personal communication devices are not to be used, accessed or displayed while on any school bus.

**SPECIAL NOTE: Students are subject to being recorded on video cameras at any time they are riding a school bus.**

- When deemed appropriate, violations of the above bus riding rules will be reported to the school authorities for disciplinary action. *Parents or guardians are ultimately accountable for the behavior of their minor children.* The drivers need your cooperation and support of their efforts to enforce the rules that are essential to the SAFETY and security of your children. While the drivers represent you in a “parent-like” role, the students must obey them regarding the rules for students the same as if you, the parent or guardian, were enforcing them.
- Parents or guardians who fail to act responsibly in terms of teaching, requiring, and upholding the rules for their children while they are passengers on school buses may subject themselves to providing their child’s own transportation. Students will be suspended from riding the bus for breaking bus rules.
- Questions about bus service will be addressed by the Department of Transportation at 898-7126.

**DISCIPLINE**

All children are expected to follow the rules of Scales Elementary School. The rules have been designed to be in the best interest of the children and staff for a positive learning experience. ### **SAFETY DRILLS**

Periodic safety drills (Tornado, Fire, Codes, etc.) will be held throughout the school year. During such drills the classroom and/or special area teacher supervises the movement of the class to a safe location. Students are expected to follow all rules during this time.

### **CLINIC**

Any child who becomes ill or is injured at school is sent to the school clinic located in the office suite. The office staff will take the child's temperature and clean and bandage scrapes and cuts. Parents are contacted when a child needs further attention. The clinic is provided for emergency and short-term use until parents can make arrangements to pick up ill students. Parents are expected to pick up children within **one hour** of being notified that the child is ill. Failure to pick up sick children in a timely manner may result in contacts with the Murfreesboro Police Department or the Department of Children's Services. **It is extremely important, for this reason, that the office be informed of any change in home or work phone numbers throughout the school year.** Please do not send your child to school if he/she is ill. If the child has had a fever, he/she should have had a *normal temperature for at least 24 hours before returning to school without having had any fever reducers.* A fever is defined as **100.0** degrees or higher. Also, children who have been vomiting should not return to school for at least *24 hours after the vomiting has stopped.* (We want our students to be healthy and able to learn as well as to protect other students from the unnecessary spread of germs.)

## **FRONT OFFICE**

Inform the office of all changes made related to contacting you and/or others on your registration card. Update your phone number, address, email, and/or any individuals who may or may not pick up your child routinely. It is essential that the Scales employees be able to reach you for any situation that may arise.

## **HOMEWORK**

Our school believes in working hard each day at school. We are dedicated to making the most of each day and stretching your child mentally each day. We believe that after school time should be used to foster social development, enrich, read, and spend quality family time together. **Every child will be expected to read each night for a developmentally appropriate amount of time.** (see teacher for guidance on this). This is the most beneficial thing parents can do to foster their child's love of reading and create fluent readers.

Any other homework will predominantly be assigned on an as needed basis. Teachers will be in communication if there are areas of concern and extra support needed at home.

*If homework takes longer than one hour, please write a note to the teacher explaining the situation.* Remember, homework should be completed in a quiet, working environment. Extraneous sounds and/or distractions should be kept to a minimum. **If the time involved to complete homework is a continuous problem, please meet with the teacher to discuss possible alternatives.**

## **AGENDAS**

At the start of each school year, students in grades K-6 are given an agenda at no cost. This agenda helps students with planning and writing down daily assignments. Most teachers use the agenda daily for assignments and other communications and require each child to have one. The fee to replace this agenda, should your child lose it, is \$5.00. It can be purchased at our school bookstore.

## **REPORTING STUDENT PROGRESS**

Parents and teachers working together maximize the potential for success of each student. Therefore, it is necessary that communication be a continuous process between the home and the school. Faculty and staff welcome and encourage open communication. Report cards are distributed on a nine weeks basis and sent home with the students. Parents can also access these reports online through Skyward and stay up to date on student progress. Parent conferences are scheduled twice a year and at any other time the teacher and/or parent deem necessary.

**Academic Acknowledgement** – Students are constantly rewarded for their hard work and progress at Scales. To further acknowledge the academic success of students in

grades 4-6 there are two distinguished groups that the students may become a member of through their hard work and effort. These honored and celebrated students are photographed and their pictures are proudly displayed in our main hallway, next to the principal's door.

**Honor Roll** – To be on the Honor Roll a student must earn all A's and B's and have no marks in conduct for that grading period.

**Principal's List** – To be on the Principal's List a student must earn all A's and have no marks in conduct for that grading period.

### **PARTIES/INVITATIONS/DELIVERIES**

Invitations to and/or reminders regarding personal parties will not be distributed at school unless they are given to every child in the class. Due to safety concerns, **flower and balloon deliveries are not to be sent to school**, and will be returned to the florist/vendor. In accordance with the Murfreesboro City School Board Policy, classes may have two parties per year. These parties are usually planned and coordinated by the room parent(s). *Birthdays cannot be accommodated*. When a child has a birthday, please send him/her to the office to receive a complimentary birthday sticker and pencil!

### **ADMINISTRATION OF MEDICATION**

If it is necessary for a child to take medication prescribed by a physician during school hours and the parent cannot be at school to administer the medication, medication will be stored at the school for the child to self-administer with assistance from employees of Scales and with proper medical forms filled out by doctors and parents filed in the school office. An adult must deliver all medication to the front office; children are not, at any time, to transport or bring medication with them to school.

### **PROTECTED INSTRUCTION**

Scales Elementary teachers and students will be exploring various content areas (reading, language arts, math, science, music, art, health/wellness, etc.) each day. We believe that your child's learning atmosphere is of the utmost importance and should be protected. So, to avoid interruptions to valuable learning time, parents may drop off items or personal messages for students at the Scales office. (In other words, parents will not be able to bring items to their children as to protect instructional time for all learners.) School personnel will see that the students are informed of the message or receive the necessary item at the appropriate time. Please assist us in limiting interruptions and protecting instructional time. Unexpected visits can be distracting to the learning potential of all students. Please schedule visits with the teacher or front office staff. If a parent desires to visit the classroom, a call to the teacher will be made by the front office staff to determine if that time is appropriate. If it is an appropriate time, the parent will be welcomed into the classroom. There are those times when a visitor might interfere with the learning environment such as during assessments and evaluations, when a guest speaker is present, etc. At that time, if the visit is deemed

unsuitable, the parent will be asked to reschedule the visit. We appreciate your support and understanding if such a visit needs to be rescheduled. Like you, we desire the best possible learning climate for all our children to achieve academic & personal success!

### **TECHNOLOGY**

- Every classroom at Scales is uniquely designed with overhead projection systems that will enable all items on the teacher computer (PowerPoint presentations, scanned documents, charts, internet sites, graphs, cable, DVDs, etc.) to be viewed on a 60" x 60" screen in the classroom for all to see easily. Cable is connected directly to the teacher computer and, as a result, there is no need for televisions in Scales classrooms.
- Teachers also have access to two portable laptop carts. The carts have 20 laptops each that students can use in their classrooms to enhance learning via specialized projects and computer based learning. Teachers can check out the laptops for 2-hour increments daily.
- Additionally, at Scales each grade level will have access to "einstruction" known as the "Classroom Performance System" (CPS). The students will be assigned specific remotes and will be able to participate in various forms of assessment with these unique instruments in any and all content areas.
- iPads and laptops were purchased for teachers to integrate more technology in the classroom. Students will have access to these as teachers are trained to use them.
- Our website <http://cityschools.net/scales/> is a great communication tool for all to access and learn more about what is happening at Scales. View individual teacher pages, "Community Star" photos, calendar updates, cafeteria information, announcements, items needing specific attention, Podcasts, and other pertinent information. Please visit this site as often as possible as it's updated with information routinely.
- Lastly, each teacher has a class website that contains a wealth of information for parents, students, and community members. These websites are updated regularly and include but are not limited to: newsletters, schedules, pictures, upcoming events, and class happenings.

### **MEDIA CENTER**

The media center operates on a combination of scheduled activity, open check out, and research times which are available to enhance curricular concepts. Classes are scheduled for instructional sessions with the media specialist. Each student is issued a library number and uses this when checking out materials. Parents are responsible for paying replacement cost for any lost or damaged material. When a student has an overdue book, no additional materials will be checked out until the late books are returned.

## **MUSIC PROGRAM**

The music program introduces the basic concepts of melody, rhythm, harmony, form, and expression. Activities include singing, moving, playing instruments, creating, and improvising. During PTO meetings, musical talents and abilities will be showcased.

1. **Chorus** – Chorus is offered to 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grade students as a part of the Scales after school program. During the school year, the chorus performs at PTO meetings, school assemblies, as well as local community events when possible.

2. **Band** – Band is open to all 6<sup>th</sup> grade students desiring to be a member of the Scales band program. Band will serve as their general music class in the special area rotation. At the beginning of the school year, students go through an interview process with the band director to see which instrument they are interested in playing. ***If needed, school instruments are provided, but parents/students are responsible for any damage or loss.*** During the school year, the band performs at PTO meetings, basketball games, and school assemblies. Activities include playing instruments, reading and/or notating music, and performing.

3. **Steel de Boro** – This unique “steel pan” percussion group is offered to 5<sup>th</sup> and 6<sup>th</sup> grade students as a part of the Scales after school program. During the school year, Steel de Boro performs at PTO meetings, school assemblies, as well as local community events when possible.

## **GUIDANCE SERVICES**

There are many services provided by the Guidance Department, such as: individual counseling, small group counseling, parent consultation, and teacher consultation. Additionally, we will have a social worker on site for 2 and half hours per week to provide assistance when necessary for students or families. Students can refer themselves for individual counseling or can be referred by teachers, parents, or other staff members. Parents and teachers can ask for assistance from the counselors when conferencing about specific problems which they have not been able to resolve themselves.

## **PHYSICAL EDUCATION**

**Participation:** Each child is required by state law to participate in physical education. Every class is scheduled to meet with the physical education teacher. All pupils take part except for those who have:

1. A parent’s written request asking for the child to be excused from one gym class and stating the reason, OR
2. A doctor’s note that states the length of time needed to not participate in gym class. **A doctor’s note is required if student will miss more than one gym class.**

If a child has any health problems or a chronic illness, the parent should inform the physical education teacher. The four major areas taught are games/sports, gymnastics, physical fitness, and rhythmic activities.

**Dress:** Each child is to dress properly for physical education classes.

1. Students must wear tennis shoes each time they come to gym class.

Tennis shoes are the appropriate shoes to wear to gym class. Boots, sandals, crocs, flip flops, hiking shoes, casual shoes, dress shoes, etc. are not accepted. Students who come to gym time without the appropriate tennis shoes will not be able to participate in the activity and will be required to walk.

- ☆ **NO GYM SHOES- 1<sup>st</sup> offense (Student receives a verbal warning and parents will not be notified.)**
- ☆ **2<sup>nd</sup> offense – (Student receives a verbal warning and parents will not be notified.)**
- ☆ **3<sup>rd</sup> offense (The grade will be lowered and no note will be sent home.)**

Students must wear appropriate clothing in order to bend, stretch, move, etc. When evaluating appropriate clothing make sure that students can bend over and stretch to the sky without showing skin unnecessarily.

Toys or items taken away by the teacher will need to be picked up by a parent or legal guardian from the front office.

### **Basketball and Cheerleading**

Competitive basketball and cheerleading teams are offered after school for students in the fourth through sixth grades. Students must tryout to be on the teams. Basketball practices take place after school in the gym. Cheerleading practices are held after school in a designated location. Parents are responsible for making sure children are picked up after practice is over. Parents will be given a schedule of games in advance. The coaches will be responsible for getting the teams to games, but parents are responsible for picking up their child at the end of the game. Additionally, parents, friends, and family are encouraged to attend games and support the teams. Please remember, children must be accompanied by an adult at the basketball games. A parent must be present at all times for the safety of the children.

### **PARENT INVOLVEMENT/SCALES PARENT TEACHER ORGANIZATION PARENT VOLUNTEER PROGRAM**

An organized parent volunteer program is in place and utilized at Scales. Parents are urged to volunteer to work throughout the school. Classroom teachers and special area personnel need help throughout the school year in a variety of ways. So, join PTO and get involved. Scales children, teachers, and staff need you! ☺

### **PARENTAL CONCERNS**

If you experience concerns or issues that need to be addressed, contact the teacher or appropriate instructor *first* to attempt to resolve the situation. If this same situation continues to be an issue (and you believe another meeting with the teacher would not bring resolution), you may request a meeting with the teacher and/or administrator or

counselor. If that meeting is needed, we are hopeful that a positive resolution will be reached.

### **DISCRIMINATION /HARASSMENT OF STUDENTS**

Students shall be provided a learning environment free from sexual, racial, ethnic, and religious discrimination/harassment. It shall be a violation of this policy for anyone to discriminate against or harass a student through conduct or communication that is sexual, racial, ethnic, or religious in nature. (For complete details on discrimination and complaint procedures, please refer to the Murfreesboro City Schools Handbook, "A Policy Handbook For Parents.")

### **STATEMENT OF PRIVACY OF STUDENTS**

Scales respects the right of privacy for all students. However, students do have conditional privacy while on campus. Student lockers, desks, and cubbies must have only school-related items in them. Lockers, desks, and other places within the school are subject to search by teachers and/or administration at any time of reasonable suspicion or concern.
